About PSE company

Pack Store Europe S.R.L. is a distributor of plastic packaging and accessories for the cosmetics, medical and food industries. Official representative office of Pack Group Ukraine.

Pack Group Ukraine includes three companies: Firma Ellips PJSK is the manufacturer, Crystall Glass PF is a distributor on the Ukrainian market, Pack Store Europe S.R.L. is a distributor on the European market.

In more than 30 years, Crystal Glass and Ellipse have gained fundamental experience in the production and logistics of plastic containers. During our activity, we have established reliable partnerships with the largest manufacturers of cosmetic, pharmaceutical, food, agricultural, and household chemical companies in Ukraine and Europe as a whole.

Following the trends of constant growth of demand in the European market, it was decided to establish an official European representative office - Pack Store Europe S.R.L..

Our position:

Sale of goods not only in large batches but also in minimum orders, from one package

Guarantee of high-quality products

Providing fast and convenient service

Our main tasks:

Create comfortable conditions for cooperation with European companies from west to east

Improve the speed of logistics and quality of service

Enable small and medium-sized businesses to buy our products in small batches

Our goals:

Enable manufacturing companies to use quality packaging for their products

Provide a full range of products for complex packaging, including containers and accessories

Ensure uninterrupted supply and availability of a full range of products in warehouses PSE

Our product range

Cosmetic & Selfcare

bottles / jars/ accessories

Pharmacy & Healthcare

bottles / containers / accessories

Food & Spices

jars / accessories

Household & Chemicals

bottles / accessories

Benefits of working with us:

- All products are certified and meet European regulations. Pharmaceutical products are certified according to European Pharmacopeia;
- A full range of services - from design development, design and manufacture of molds to decoration of finished products;
- Sale of goods in minimum quantities from one box;
- Operating quality systems ISO 9001:2015;
- Operating food safety management system ISO 22000:2018;
- Uninterrupted supplies throughout Europe;
- Individual approach to each client.

PSE - your ultimate logistics hub for packaging
