About PSE company

Pack Store Europe S.R.L. is the official European representative of Pack Group Ukraine, a group of companies specializing in plastic packaging and accessories for the cosmetics, pharmaceutical, and food industries.

Pack Group Ukraine includes: Firma Ellips PJSK – a full-cycle manufacturer; Packgroup PF – distributor for the Ukrainian market; Pack Store Europe S.R.L. – distributor for the European market.

With over 35 years of experience in production and logistics, we have built trusted partnerships with leading companies in the cosmetic, pharmaceutical, food, agricultural, and household chemical sectors across Ukraine and Europe.

To meet the rising demand across the EU, Pack Store Europe S.R.L. was launched as an official European office to ensure fast logistics, localized service, and access to quality packaging solutions.

Our position:

We sell not only in bulk but also accept small orders - starting from one package

We guarantee the quality and safety of every product

We offer prompt, efficient, and convenient customer service

Our main tasks:

Create comfortable conditions for cooperation with European companies, from west to east

Improve logistics and ensure fast, reliable delivery

Help small and medium-sized businesses buy quality packaging in small batches

Our goals:

Provide manufacturing companies with reliable and quality packaging

Offer a complete range of packaging solutions — containers, closures, and accessories

Ensure consistent supply and full availability of all products in PSE warehouses

Our product range

Cosmetic & Selfcare

bottles / jars/ accessories

Pharmacy & Healthcare

bottles / containers / accessories

Food & Spices

jars / accessories

Household & Chemicals

bottles / accessories

Benefits of working with us:

- All products are certified and meet European regulations. Pharmaceutical products are certified according to European Pharmacopeia;
- A full range of services - from design development, design and manufacture of molds to decoration of finished products;
- Sales available in small quantities – starting from one box;
- Operating quality systems ISO 9001:2015;
- Operating food safety management system ISO 22000:2018;
- Uninterrupted supplies throughout Europe;
- Individual approach to each client.

PSE - your ultimate logistics hub for packaging

Pharmacy & Healthcare

PET Bottles (5-250 ml)

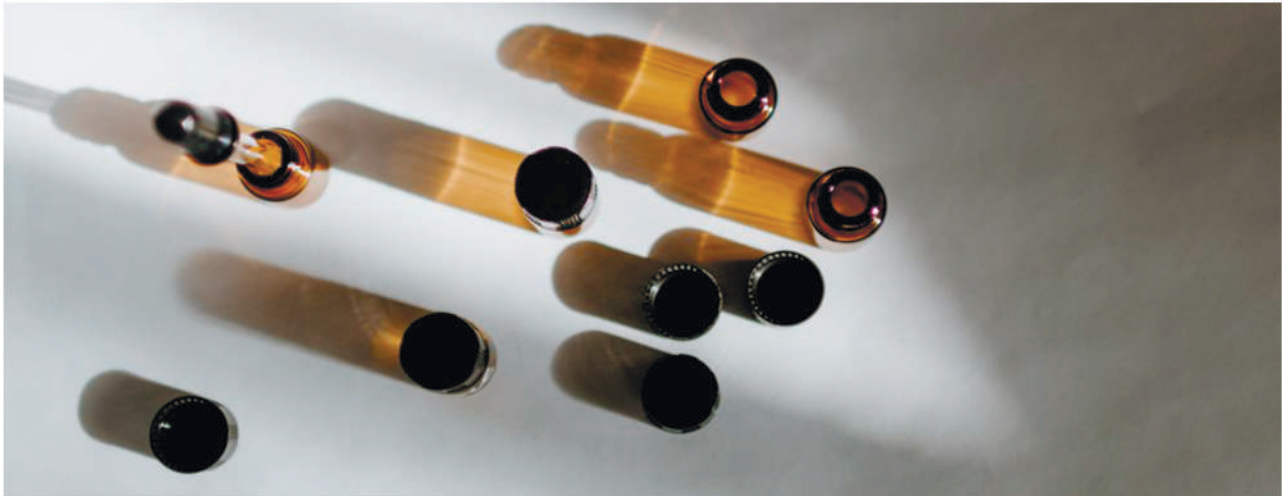

High-quality PET packaging designed for the secure and hygienic storage of liquid and solid pharmaceutical forms, medications, and dietary supplements. Durable, and lightweight products designed in full compliance with pharmaceutical standards.

Polymer Closures

A comprehensive range of caps, lids, corks, and droppers, compatible with glass and plastic bottles. Suitable for containers with standard neck diameters of 18, 20, 24, 28 and 38 mm. Ensures leak-proof sealing and ease of use.

Polymer Containers (12-250 ml)

Robust and reliable containers for tablets, powdered formulations, granules, creams, and ointments. Produced from pharmaceutical-grade polymers to guarantee product integrity, shelf-life, and regulatory compliance.
