## About PSE company

Pack Store Europe S.R.L. is the official European representative of Pack Group Ukraine, a group of companies specializing in plastic packaging and accessories for the pharmaceutical, cosmetics, and food industries.

Pack Group Ukraine includes: Firma Ellips PJSK – a full-cycle manufacturer; Packgroup PF – distributor for the Ukrainian market; Pack Store Europe S.R.L. – distributor for the European market.

With over 35 years of experience in production and logistics, we have built trusted partnerships with leading companies in the pharmaceutical, cosmetic, food, agricultural, and household chemical sectors across Ukraine and Europe.

To meet the rising demand across the EU, Pack Store Europe S.R.L. was launched as an official European office to ensure fast logistics, localized service, and access to quality packaging solutions.

| Our position: | Our main tasks: | Our goals: |
|---|---|---|
| We sell not only in bulk but also accept small orders - starting from one package | Create comfortable conditions for cooperation with European companies, from west to east | Provide manufacturing companies with reliable and quality packaging |
| We guarantee the quality and safety of every product | Improve logistics and ensure fast, reliable delivery | Offer a complete range of packaging solutions — containers, closures, and accessories |
| We offer prompt, efficient, and convenient customer service | Help small and medium-sized businesses buy quality packaging in small batches | Ensure consistent supply and full availability of all products in PSE warehouses |

Pack Store Europe

**Our product range**

## Pharmacy & Healthcare

bottles / containers / accessories

## Cosmetic & Selfcare

bottles / jars/ accessories

## Food & Spices

jars / accessories

## Household & Chemicals

bottles / accessories

**Benefits of working with us:**

- All products are certified and meet European regulations. Pharmaceutical products are certified according to European Pharmacopoeia;
- A full range of services - from design development, design and manufacture of molds to decoration of finished products;
- Sales available in small quantities – starting from one box;
- Operating quality systems ISO 9001:2015;
- Operating food safety management system ISO 22000:2018;
- Uninterrupted supplies throughout Europe;
- Individual approach to each client.

**PSE - your ultimate logistics hub for packaging**
